

When it comes to children's education, choosing the right school is paramount. We invite families to explore our unique learning environment that empowers students from preschool to middle school to become global thinkers and faith grounded leaders.

HFCA provides a dynamic environment that nurtures curiosity, creativity and confidence.

HFCA stands out as the only northwest suburban elementary school authorized as an International Baccalaureate World School for the Primary Years Programme (preschool to 5th grade), and we have recently been accepted as a candidate for the Middle Years Programme (grades 6 to 8). This distinction has been awarded to only 14 other schools in Illinois, showcasing our commitment to providing international perspective and a holistic education.

We recently completed a strategic planning and enrollment planning process. As a result of those efforts, we have a number of exciting marketing and development initiatives that require planning and execution.

Through our internship program, we are looking for talented people passionate about helping academic institutions grow their enrollment and penetrate their addressable market to achieve their goals. You will also be assisting parents find the best

academic environment for their children to reach their full potential.

This will be a fantastic opportunity to work in your community and learn pieces of what it's like to work at a leading academic
