

## **Communicating Effectively with Your International TA**

Having a TA who is international or who comes from a different language background can be a rewarding yet challenging experience. If you have never had a teacher from a different cultural or language background

**Y jgp"urgcmkpi"vq"{qwt"VC" í "**

Speak more slowly (but still naturally) and articulate your words clearly.

Paraphrase what you think the TA said if you are unsure that you understood the TA. You can
