Division Policy**

Policy on Multiple Year Contracts for Postdoctoral Fellows

This policy is intended to define the requirements for Department Chairs (or Dean's designee in the absence of departments) for offer multi-

On a faculty recommendation and department chair approval, a multi-year contract may be offered to a postdoctoral fellow who meets the following criteria:

Funding must come from guaranteed funding source, such as a grant or university startup funds.

Contracts satisfactory performance over the length of the guaranteed funding. ongoing

Contract is renewed or if a new funding source is secured, multi-year contracts may be renewed through the duration of continued funding, at the discretion of the supervisor in collaboration with the University.

Postdoctoral fellows will adhere to established University policies and procedures, which may be amended from time to time.

Contract and Marquette University's obligations are contingent on the postdoctoral fellow maintaining the required certification of work eligibility under
