### Proposal Type Definitions

March 2018

Purpose: To identify the type of proposal (e.g. New, Resubmission, Revision, etc.) in the proposal development module.

Type Description	Definition	Routing & PI Certification
Budget – SOW Update	Updated proposal documents (such as a revised budget) requested by Sponsor for a proposal currently undergoing Sponsor review. Do not use if a proposal has been	

New – Changed/Corrected	** S2S use only ** Example: to address NIH eRA validation warnings or errors. If the sponsor is not NIH, must first confirm the Federal sponsor allows Changed/Corrected applications.	AOR Routing Only. Person certification not required.
Pre Proposal	Abbreviated proposals that are submitted at the request or requirement of the sponsor in order to select projects to be submitted as full proposals for competitive review and funding. Should only be used when ORSP review is necessary. The record will be linked to the full proposal if invited unless there are significant special circumstances.	Full routing. Full certification.
New (for full invited proposals)	Full proposals submitted in response to an invited pre proposal that was submitted through the Kual system. The record will be linked to the pre proposal unless there are significant special circumstances.	Simplified routing to Investigators and ORSP levels only with FYI notification to all reviewers. Person certification not required.

Renewal

An application requesting additional funding for a new project period subsequent to that provided by a current award. Must be allowed by Sponsor guidelines. A renewal application competes with all other applications.
