Lisa yelled, and the man, Tony, jumped away from Emily and started running. Lisa recognized Tony from one of her classes and called the police, who found Tony at his dorm room 20 minutes later.

Emily remained unconscious for over three hours after she was found. She had wounds on the backs of her hands and elbows.

When she woke up, she did not recall meeting Tony leaving the party or anything that happened after leaving the party.

He told the school that all the women he kissed that night would say he hadn't forced them.

He told the school that he was a good citizen and lots of other people would tell them the same.

Video of the two leaving the party at about 12:45 a.m. shows Tony supporting a very drunk Emily, who barely appeared to be moving her own legs.

Emily appeared to push at Tony's face with one arm, after which he tucked her arm between his body and hers, and continued in the direction of the nearby, closed restaurant.
